### Cantoni Basic

A hand lettered font by Debi Sementelli.

The Cantoni Basic font contains upper and lower case letters that play together well. Hand lettered and based on my own unique brush style, it has a casual, fun feel that dances along the base line.

The fractions and greek letters above are included in this Basic set. However, it does not have any Open Type features and has limited foreign language support.

**Cantoni Basic** is one of five fonts in the Cantoni Font family.

The **Cantoni Pro** version has an extensive 1265 glyphs with a wide variety of alternate upper and lower case letters as well as a number of flourishes, ornaments, fractions, roman numerals and more! It also offers foreign language support and Open Type features.

The **Cantoni Flourishes, Ornaments and DIY Wedding** fonts all contain images and wording that are suited to the creation of invitations and signage for Weddings and other special events.

My favorite part of font creation is seeing how people use them in their designs. If you have any projects to share for posting on my blog, facebook, instagram or twitter, send me a pic at:
